

### Why safeTALK?

Most people with thoughts of suicide invite help to stay safe.

safeTALK is a workshop that prepares anyone over the age of 15 to identify persons with thoughts of suicide and connect them to suicide first aid resources.

As a safeTALK-trained suicide alert helper, you will be better able to:

- Move beyond tendencies to miss, dismiss or avoid suicide
- Identify people who have thoughts of suicide
- Apply the TALK steps (Tell, Ask, Listen and Keepsafe) to connect a person with suicide thoughts to suicide first aid, intervention caregivers.

**Thursday  
October 4, 2012**

**9:00 - 12:00**

### Workshop Location

**Pima Council on Aging  
8467 E Broadway Blvd

safeTALK is recommended for anyone who wants to be ready, willing and able to recognize the signs of suicidal thoughts and help someone get to the right resources.
